「冗談ポイポイ、負け惜しみ大口上？」

(English expression ver.)

“Wow, kidding!! Is it to “shame on you”,
return match of you?”

(Japanese expression ver.)

「冗談ポイポイ、負け惜しみ大口上？」

「巨大恐竜が減んだように、こうした激動の時代には、いずれ何らかの予期せぬ理由で、巨大テックも減じるだろう。体がデカイと整合を取りながら動くだけでも大変だ。脳に危機が伝わるまでも時間が掛かる。

だから、こうした激動の時代には、かつて体の小さな哺乳類が生き残ったように、小さい方が動き易くていい場合が多い。変化に対応して、即座に変更し易いからだ。

それで、あえて会社を大きくはしない。嵐が去っても、敢えて小さい儘を維持する。

規模を求めるとまたぞろ巨大テックの二の舞になるのがオチだ。

二の轍を踏んではなるまい」

「よっ、待ってましたあ、大統領！！風前の灯火、零細企業主！！

零細企業主の負け惜しみ大口上！！」

「あのねえ、社員がそんなこと言っていい訳？

幾ら零細企業とは言え、シャチョの大特権、伝家の宝刀、殺生与奪の剣（正しくは「権」）、抜くよ！！」

「シャチョ、冗談。冗談でおまんがな」

「世の中には、冗談では済まぬ事もある…」

「お前さんの顔が冗談では済まないレベルだって知ってんの？自分で自分の事、あん？」

「あのねえ…幾らボホロとはいえ、お前にも伝家の宝刀、殺生与奪の剣、抜くよ！！」

「上等だわ。抜いてごらん！！ナニ、させてやんないから…」

(ウ、こ奴め！！わが弱みを熟知しておる…)

以上内心の声。実際に口について出たのは、以下。

「冗談、冗談。今のは冗談。だから、ね、今夜も、ね。お願い、ね」

「冗談は顔だけにしときな、わかッティンの？お前さん！！ほんま、世話の焼けるガキン
チョだわ、此のエロ河童ジジイ」

「鬼瓦三太夫シャチョの弱みは其処かぁ…薄々は感づいていたが、是で弱点がはっきりした。そうと分れば、今度は其処を攻めてみるべ。いよいよの時は…ナハナハ、ワンポイント・アドバンテージ・ゲットォ！！」

“In the past time, in the ancient era, like a, giant dinosaurs got destroyed, in near future sooner or later giant tech companies will get destroyed from some reason something.

In the case of body scale size is huge, even moving only is bog job, and until crisis signal can reach to brain, will take so long time, it`ll invite time delaying.

So that, under thus shaken era, like a, in the ancient time, body size small, the animals could survive, small body can more easily move, the cases so many. Because can match to the changes, at once can shift to it.(=Not DX, but transportation)

From it, on purpose, no plan our company to scale size up. or dare, after storm leaving away, no plan our company to scale size up. Will keep small size.

Tracking after the scale size means repeating of giant tech. companies` fault again, the same. Never step the same fault!!”

“Bravo!! Boss, Tiny, almost bankrupt company owner!! His Big Mouth Bluff, so great!!”

“Boo!! Employee can may say thus, with big boss behavior, An? Even if I`m tiny, almost bankrupt company owner, owner is owner. I have the most strongest rights. It`s for getting fired. May I use it for you. An?”

“Ax, Ax, fear, fear, it was joke!! Joke is, boss!!”

“In this world, ok joke, no ok joke (=acceptable joke, non acceptable joke), 2types is there, you know?”

“Hey you Darling, you know about your own face level, An? not joke but much more low

level gag face!! you know own? An?”

“Even if you are my well partner Poholo, I`ll have done above the same one to you!!”

“Ok, great!! Come on(=please, have done it, as you like, would you). Bater, I`ll reject your the strongest desire to fu●k on me, I`ll stop, no accept!! May I?”

(Oops, she is well knowing about my the most weak point!!)

Above is boss` inside mind true voice. But speech with real voice outside was below,

“Haha, Haha, Ha, sorry, sorry, joke, joke, joke, it`s a mere joke. So that, may I? May I? May I, ok?”

“Your face is joke, your speech is joke, it`s stereo jokes. At least, one of them, stop it!! Very complicated, noisy!! Understand? You, kiddy pervert old!!

“Gang Godzilla face Don Qui Hote Boss`s weak point, I got it!! From former I pale noticed, but now it gets clearly. In my next pinch time, I`ll push it!!···lol, lol, lol!! I got “one advantage point, get”!!
