“Why some creepy, why some faky”

(Japanese expression ver.)

「なんか、変。なんか嘘くさい」

「ジジババや親がどうして孫や子のご機嫌ばかり取るのか？孫や子がかawaiiからではない。嫌われたくないからだ。もっと言えば周りから「いいジイジ、いいパパ」と言われたいからだ。言われなくなるのを恐れてだ。

だから孫や子に強いことがいえない。ほめるばかりで叱ることができない。

そんなことをしたら嫌われるからだ。それでいいなりになって小遣いを与えまくる。

要求された額を与えられない場合、「自分が情けない」などとアホなことを抜かす。

本末転倒もいいところだ。それがかえって子や孫をダメにしている。

ある意味、自分の人気取りのために子や孫がひそかに犠牲になっている。

ほめてばかりいるのは子や孫がかawaiiからではない。自分の人気落ちたり、嫌われたりすることを恐れてだ。換言すれば、ジジババ、両親の「幸せ家族」演出の為の外見用保身術だ。

子や孫を大枚はたいて有名塾や有名進学校に通わせるのも子や孫の将来を思ってではない。ジジババや両親の世間体、保身、わが身のコピーづくり思考の産物で子や孫を心底思っているの労苦ではない。子や孫を心底思ったら、もっと他の方法だって、見つかる筈だ。

だから子や孫はそんな大人を無視して、受験勉強などほっておけばいい。外で遊びまくればいいだけだ。

金持ちの子であれ、貧乏人の子であれ、外で遊びまくるのに大差はないから、格差も生まれにくいであろう…何も今話題の年間授業料1千万円払ってアホなトレーニング塾に通わ

せる必要もない。ほとんどタダでできる。1千万円払えなきゃそれができないなら、またぞろ格差をうむだけだろうに、よ、え？」

“Why some creepy, why some faky”

“Why do grampa and gramma, parents try ass-kissing to own children like those? It is not because of loving them but it is because of escaping from being disliked. More straight saying, prefer to be praised from arounds “nice ones”. Holding fear from arounds getting disliked.

From it, they can't give strong advice, or they can't scold own children and so on. Because if they have done like these, they will get disliked.

So that escaping from it, rather, they give service money to own kids dynamic, while their request fully.

And in the case of not giving fully to own, adults is crying “sorry, sorry” to kids, apologizing.

It is perfectly opposite one!! It, rather, spoils children and so on.

From some meanings, from some perspectives, for hunting grampa, gramma, parents own popularity, their children and so on are getting turned to their victims.

Praising only children and so on is not from loving them. But from fear of adult own popularity down or getting disliked by own children and so on. In other words saying, for staging decoration of grampa, gramma, parents` “happy family”, for appealing to arounds, their propaganda activity only.

Parents recommend joining famous prep. school, recommend joining in famous school with spending huge money is not worrying about own children in the future loss, but worrying about parents` outlooks, evaluation, defense own, making own copy first, the perspectives. If parents cherish own children, they can try to find other ways out.

From it, children pass adults opinion through, oppositely, outside playing merely only.

Or rich family`s children, or money poor family`s children, outside running has no difference. From it, huge difference not getting born so easily. No need joining into current hi popular, physical training main, creepy prep. school with spending ¥10000k/Y. outside running around, almost “cost 0”. If ¥10000k/Y is minimum cost, it will invite much huge difference merely only. How do you think about it. An?”
