(English expression ver.)

“Put a long span!! Too much short, never!!”

(Japanese expression ver.)

「長い目で見よ」

「やっぱり何と言っても人類史は、貧富の差が出来る前の石器時代とかの方が興味をそそられるよな。今と似たような貧富の差がすでに出来上がっていたと思われるエジプト朝をいくら研究してもあんまり面白くなさそう。だから、貧富の差がない事で現代に有用な示唆を与えてくれるんじゃないかって言う石器時代に万が一の期待が持てるから、その時代に興味津々になる…

ひょっとして貧富の差の少ない石器時代は、人気の差が一番だったんじゃないのかな?となるとやっぱり順番は先ず、人気取り、次に貧富の差。後代便利な「お金」というシステムが出来て、それでいつの間にかに、目的と手段のすり替えが起きたんじゃないかなろうかとかって…ね。お金は人気取りの為の道具。選挙の裏金とか、マントヒヒ爺さんが己が下半身需要満たす為に、下半身御用達グッズ、若いねえちゃんに買い与えて、ウッシッシするとか…」

「お前さん、貧富の差、貧富の差って簡単に言うけど、そもそもお前さんは貧富の差の「富」の方の立場に立ったことがあるの?なければ貧富の差なんて分ないジャンよ。概念的には分かってても、実感的にはイマイチ分ないジャンヨ」

「ま、それで今迄保ってきたような側面もある。確かに…」

「どういう意味？」

「恵まれた状態を一度も味わったことないから、ひどい目に立て続けに遭っても、「ま、世の中、こんなもんだろう」で済んできた訳だし…一度でもいい目に遭うと、過去との比較で直ぐ愚痴が出るコトになり易いが、

こちとら比較する「いい目」が一つもないから、そう言う発想に至らないって訳。是って意外な効用だよね、そう思わん、。ポホロ？長い目で見よ！！急いては、事をし存じるともいうし」

「其れでお前さん、結構、はた目にはピンチな時に、意外と平気な顔してられたんだア。今でこそ、解き明かされる、人生のナゾてなかんじ？」

「ねえさん、ワテには未だ、分りまへんがな。  
どうするとこんな変なのが出来るとか、想像の域を超えてまんガナ。  
見当がつきもうはん」

*(English expression ver.)*

**“Put a long span!! Over short (fast), never!!”**

“If I can be allowed to judge by my own one side perspective, anyway, concerning to history of human beings, I will get feathered by term of cave when still not difference of rich and money poor yet rather than history of Pharaoh system in Egypt, which was already similar with modern money pattern. From it, therefore, the term of cave which has no difference between rich and money poor might give us a useful suggestion, so that I have expectation of getting new wisdom from the term, I get interested in it, I suppose.

Perhaps, or by any chance, at the era of cave when has few difference between rich and money poor, getting popularity was the first target, might be. If it is so, the turn of ordering was, anyway, hunting popularity the first, hunting the money, second, is the normal turn of ordering, I suppose. in the later era, very convenient, very useful current money system got, after it, that was so convenient and very useful, so that under unknown, replacing of turn ordering might happened or not, I got doubted, I got guessed.

Money is the tool for hunting hi popularity. For example, hidden dark fund for election, or for young gal fishing, old man`s one.”

“Hey you, Darling, you repeatedly say “the difference between rich and money poor, screaming, but you have no time to stay on the rich situation, so that your shouting is merely only theoretical one, but your physical actual one or not, An?”

“Due to it, I have could been keeping patient until now, thus the side I have…”

“N/ what`s the meaning, you want to tell?”

“If I even if once experienced happy standing on the position, will take a comparison with

the past time happy position, it will bring to me, complaining, I`m so unhappy!!, however, me no have time of standing happy position, so that "it is my normal" I can say so, might be, the meanings, you know, Poholo?

As I have no time to stay in happiness, so that no happen the thought of toward thus direction, only. "Put a long span!! Over short (fast), never!!" like it, the same."

"From it, You looked like no problem face wearing, at the time of it is a pinch which rounds supposing, you can."

"Madam Sir, it still not in my perspective area yet!!"
