10th -2 Apl. 26

(Japanese expression ver.)

「分ったような、分んない様な…」

(English expression ver.)

“The matter of or understandable,
or not understandable, the matter”

(Japanese expression ver.)

「分ったような、分んない様な…」

「全ては、思惑、ポジショントークで動いている様だ。隠された目的は判然としないが、事実とは異なるために大混乱に陥っている。不信の連鎖が深まり、どんどん広がっている。

効率よくその嘘を見抜こうとしたり自分の嘘を八方美人的に矛盾なく覆い隠そうとする奴はAIを道具化する事に走ったり、或いは気の弱い奴は耳をふさいで家の外に出なくなったり、多少気概のある奴は独自の判断軸を設けて、独善に走り、却ってドツボに嵌ったりしている。

兎に角、公というものが存在しなくなり、周りは全て敵に見えてくる。警戒心が増し、おいそれとは人を信じなくなる。その前に人との付き合いをしなくなる。

世界各国、各個人が孤立している。

孤立していると感じず、人をまともに信じる事が出来たのは20歳迄だったかもしれない。

今思うと「いい女」というのは、どちらかという「へちゃむくれ」で、若い頃、面喰いだった俺は其れに気付かなかっただけの様な気もする。ジョージ秋山の代表作「浮浪雲」に出てくる浮浪雲さんの「いい女房」も全然美人じゃなかったし…

棚沢邦江さんと伊藤節子さん。其れにアンケ・バレンチク。

棚沢さんは、小学校1年の時に、学校に行くにはノートと鉛筆が必要だなんて親はひとこも教えてくれなかったから、投降初日手ぶらで行って、困り果てていたところ、隣の席の棚沢さんが鉛筆と書く紙を貸してくれたんだ。その子は名前を名乗らなかつたが、外履きを入れる袋に名前が書いてあったからそうだと分ったんだ。

伊藤せっちゃんは、転校した先の小学校の家庭科の時間、班、全員の分の食事を茶々と作って、早い、ウマイ、見栄えがイイで、家庭科の時間に俺たちの班が特賞を採ったんだ。せっちゃんの家は、他の子の家と違って貧乏で、お母さんが働きに出た後、下の子たちのご飯を毎日作っていたから、料理が上手かったんだ。少しも恩着せがましい事、言わなかったし。でもせっちゃんは、後で聞いた話だが、17歳のとき交通事故に遭って死んじゃったんだって。

美人だったのはアンケだけだったな。美人というよりお人形さんみたいに可愛かった。露文だった俺は同じロシア語学校に通っていたアンケと友達になったんだが、彼女も生きていけばもう60代後半だろうな。

離婚後100人位ご縁があったが、名前、生まれ育ち、外見は皆違うのに中身はほとんど変わらずの「ポチ、お手お手、女」ばかりだったから、以降。興ざめして、女から足が遠のいておる…」

「じゃ、アタイはどうなんのよ？え、お前さん！！」

「お前は宇宙人だし、オバケで人間じゃないからカウント外。其れに「ポチ、お手お手女」じゃないからイイの」

「どう解釈していいんだか…」

「シャチョ、女の話ばかりで、ワテはどないなりまんや？シャチョ？」

「男にそんなこと言ったら、キモイであろう…」

「其れはそうですが、やっぱ、よく考えたら、コレマタ、分ったようなわかんないような…」

(English expression ver.)

“The matter of or understandable, or not understandable, the matter”

“It looks like everything gets moved by hidden reversed plan or position talk. Hidden purpose is covered, but it is different from truth, will bring jammed world. A chain of non-trust gets deeper, and gets expanded.

The one who by hi performance trying to grab the trick, or who try to camouflage own fake to others, they rushing into AI world, by using as a very useful tool for it, or the one who are very pale mind holders, try to hide inside staying rooms for no touching other faky people or the ones who have a few against spirits, try to judge by own proper perspective, but by it vasa versa, they have possibility of falling into “only own true” the world, thus the dark misunderstanding they have possibility.

Anyway will get lost “public”, no stay “public”, “fairness”. “standard”, arounds all get looked like as an enemy. Antenna up, not so easily can trust others, before it, will get turned to be no-contact with others. All over the world, all over the individuals get standing alone, not independently, but by loneliness.

Without feeling of loneliness by standing alone, and can trust others truly, might be until 20 years old of mine. At the time of supposing, now, “nice woman”, rather, wearing not so beautiful face, however at the time, as me was beautiful face woman lover, never could notice it, I might suppose.

3 girls, 2 Japanese, 1 foreigner.

In the case of 1st Japanese girl whom I met at elementary school in the first day of entering the school class as it happened. At the time, as my parents no announced to me anything, so that no carrying anything, almost free hands, going for elementary school class, suddenly I got shocked, “what should I do?” At the time, my neighbor girl helped me, while offering pencil and paper without announcing her name. her name which I got known is because of her watching at her shoes bag as it happened, on which was written her name, from it I got known her name.

In the case of 2nd Japanese girl, was whom I met with her at different elementary school housekeeping subject class because of my moving to different elementary school. Her cooking skill was so hi, at once got cooked up for all members meals, by speedy, tasty, decoration fine, so that teacher gave our team “special award”. I said “team” but indeed not team. She was very money poor family daughter, arounds us from rich family sons and daughters, she had to prep. meals for her younger kids after her mom was going outside for working. From it everyday was cooking training day, like that. so that naturally cooking skill got turned to be hi up, however, no appealing proud of it, she.

But later, as it happened, from someone, I heard of her 17 years old death by traffic accident.

In the case of 3rd girl, foreigner girl, I got met her at Russian language school because of I was student in Russian literature subject in univ. only she was beautiful girl, more correctly calling, she was lovely, cute girl like a doll. But tentatively, she still can get alive, she get already turned to reach old woman`s age.

After getting our divorced, I got contact with around 100 women, however, despite of name,

face, clothes, from, was different, behavior, aim, contents of their inside were almost the same, which they treated me as an ass-kissing pet. From it, my mind got down, I get turned to no come closer to them.”

“From it, me is how? Hey you, Darling?”

“you are out of mark because of you are astro, ghost woman, addon, no request woman who requires own ass-kissing me, as your pet, so that your are Ok for me.”

“How to understand, me!!”

“Don Qui Hote Boss, woman`s story only, man me, how to get treated? Bos!!”

“To man, saying that, it might be creepy!!”

“Your answer is correct, but more deeply thinking about it, the matter is or understandable, or not understandable····? hum, m”
