「それは、俺のせいではない！！お門違いだ！！」

(English expression ver.)

“It`s not from me!! It`s not hit original point!!”

(Japanese expression ver.)

「それは、俺のせいではない！！お門違いだ！！」

「俺が思ったというより、相手が勝手にそう思っちゃったんだろうな、「見破られてい
る」って。自分たちの隠れ魂胆。

コレマタ、俺が思ったというより相手が勝手に独り相撲して「下に見ていたこいつがいつ
の間にか、背後に迫っている。場合に依っちゃ既に抜かれているのかもしれない」って、
勝手に思い込んだんだろうな。譬え事實はそうじゃなくても、幻影として…
そうなると、パッシングの連続よ。

独り相撲勝手にしておいて、こちらには変動なんて何もないから、理不尽だとは思うが、

現実にはそうなっている。

それで、兄弟、親戚、ご近所様は、全員切り捨てた。迷惑だからな…。そんなのを相手にしている余力もないし、商売大ピンチで…

それに、前にも言ったが、一般ピーポーで、思った以上にセンサー感度、高いのよ。

そいつらがしている裏魂胆なんて、端から見抜いているんだが、変なごたごたに巻き込まれたくないから、気付かない振りしていただけ。本当は端から見抜いていて、陰で自分の事何言われているかわカラナイって思うから、無意識に、そいつ等から距離を置く訳。

そうなると、悪態の言い出しっぺは♪知らぬは本人ばかりなり♪状態よね？

よくそれで、お天道様の下、天下の公道を、大手を振って歩けるもんだと、世間様も、俺も、陰で赤面している事に、図らずも、当のご本人様だけ気付いていない。

♪あな、哀れ。恥ずかしや～♪と、増々俺は赤面…」

「お前さん、人さまに対する赤面も結構だけど、その鬼瓦三太夫みたいな御面相、何とかしてくんない…

♪美人は三日観たら、見飽きるけど、ブスは三日観たら、見慣れる♪の、慣例破って、三日観ても其の御面相、アタイ、見慣れない…」

「シャチョ、ワテ、今回はノーコメントだす。ねえさんの言う事、余りにもズバリ過ぎて、却ってシャチョが、気の毒だから、でおま」

「だからそれは、俺の親に言えってえの！！以前俺、そう言ったろ！！」

(English expression ver.)

“It`s not from me!! It`s not hit original point!!”

“Rather, from my inspiration, but it might be from other one`s one way counting, like it.

“my hidden secret matter, might get opened!!” on their side as a fact, might be, I suppose.

Additionally, rather, they, from one way, counting, that in the worst case, the one whom we counted him never can reach to our position, never can be overtaken from him, at the time of noticing, he is standing just behind, in the worst case, already got caught up and run further forward, might be”. at their inspirating time, if it`s not fact but even it`s merely illusion, they started bushing to us!! it`s not which side is correct, but real fact is so. even if we against” it`s not reasonable. It`s not correct”, shouting.

Due to above, I cut the connection with direct blood all relatives, around neighbors, because of too much disturbing me. we have no time to spend for kiddy play. Our first job is keeping our company!!, is the first!!

And it`s what in former time, I already told it, is that general people have more hi level sensor antenna rather than our imagination.

They already from the first noticed their hidden secret ticks, but no hoping to get involved into trouble, so that pretending no notice, only, because they can easily imagine that in the case of own is absent, what they bush to own , other general people easily can imagine, from it, they will try to put a distance unconsciously to behind hidden secretly bushers.

From it, the busher situation will get turned to be 🎵the one who know anything is own himself only🎵, the situation is getting true or not?

Despite of under thus situation staying, on the public road, without hesitation, dynamic, they can walk!! The society and me will get turned to be ashamed. But only busher own no can notice it!!

🎵Wow, so poor they are!! Very ashamed!!🎵, I more and more get embarrassed!!”

“Hey you, Darling!! Before your embarrassing to others, please remake your, like a, “Oni-Gawara San-Da-Yuh”, your trouble face, remake it, first!!

🎵beautiful woman, during 3 days watching, will get tired of, but ugly woman, during 3 days watching, will get familiar with”, the iron rule breaking, despite of, me never can be familiar with your ugly face, yours!!”

“Don Qui Hote Boss, in this time, me ,Sancho Panza Nepali take no comment position.

Because, madam Sir`s comment is too much hit the point, so that me feel so strongly sorry for you!!”

“Therefore about it, complain to my parents, I already in the past time to you 2, already!!”
