(Japanese expression ver.)

「孤独な爺は、独り言、不満タラタラ、
言い放題」

(English expression ver.)

“Lonely old guy`s complaining monologue, full.
Anything no can stop it, full”

(Japanese expression ver.)

「孤独な爺は、独り言、不満タラタラ、言い放題」

「イジメだとお縄を頂戴する可能性があるから、この辺（あたり）の大卒、インテリ住人はこぞって、法的責任を問われる可能性が極めて低い「意地悪」攻勢をかけてくる。

分かり易いく言えば「マハトマ・ガンジー」の「非暴力の抵抗」。

もっと分かり易く言えば「非協力の黙殺」

それを覚悟で9年前に大きく舵を切って「独立独歩」路線を歩み始めたが、周りの住人は9年間の間、よくなるどころか、ますますその「汚い腕」に磨きをかてきている。黙殺の上手さに磨きがかかって来ている。

しかしどんなに磨いても、其れで人間は欺けても、天の神様はそれを見抜いておられるから、自分は何もする必要はない。みな、オートマティカルに地獄行きだろう。

行かなかったとしても、臨終の床で今迄何十年と生きて来た人生のむなしさに胸が張り裂けそうになるだろうが、時すでに遅しだろう。手の施し様がない。

あと、近頃のトピックスだが、高給につられてきた焼き場の若い係員が、搬入されて来た、この近在のご遺体の、生前の穏やかな姿はどこへやら、余りの形相の凄まじさに「おえ、おえ」と吐きまくっていたらしいが、それを諫めた老練の係員ですら、これまでに経験した事のないその形相の余りのすぎまじさに、同じく「吐いた」とか…。

最近、焼き場も混雑しているらしく、タダでさえ、焼くのに1週間待ちが当たり前の昨今、臭うは、怖いは、で「早いとこ焼き終わりたい」のが二人の本音。

しかし、ご遺体を焼くのに使う重油高騰やモノ不足で入荷が遅れたりとか、焼く人数増大とか、でそれもままならず、給料喪失覚悟で、それでも「こりゃ、たまらん」と辞める人、続出だとか…」

「で、何が言いたいの？お前さんは…」

「別に。単なる爺の独り言じゃ…」

「シャチョ、♪爺の独り言は犬も食わぬ♪言いますねやろ、ジャパンでは」

「ハイ？お前は可成り日本語が上手くなったが、基本的には♪言語眼理療、意味不明♪の域を脱しておらん…」

「???ハイ？今後の拡大πが知れている日本語ではなく、今後も安定需要が予想される、全世界共通の英語で言ってチョ！！シャチョ」

(English expression ver.)

“Lonely old guy`s complaining monologue, full. Anything no can stop it, full”

“As bullying will has a possibility of getting arrested, from it, arounds who are almost of all graduated from univ, knowledge class guys will take a way of envy which has very low possibility to be arrested.

More easily understandable saying, Mahatma-Gandhi`s “resistance by non-violence”

I the case of more understandable directly, more concretely saying, “by arounds from only watching at, no helping by pretending to no noticing”

By had done it, what would happen, I already noticed at the time, despite of it, dare I had turned the rudder dynamic, and had started on independent way walking, but arounds, neighbors, oppositely more and more polishing up, their dirty skills comparison with even 9 years ago. The skill of silent killing way, they are polishing up more and more..

But no matter how much polishing up, it can scam human, but it can not scam God`s monitoring eye beams, so that me no need have done a revenge by my own hand chop directly. Probably, automatically they will have to fall into hell bottom.

Even if they not fall into hell, on the bed of soon coming their death, they will feel “how long vacant life I got spent!!”, while they want to cry inside them, it`s too late perfectly. No option!!

Additionally, according to recently in Japan topics, at the public space for burning dead body, the new comer young staff who was fished up by high level salary, as soon as seeing dead body`s terrible ugly (=holler movie level) face curved by something punishment, he starts to vomit or not. but old veteran staff who made young new comer staff calm down, even old veteran staff also began to vomit, while seeing too much over terrible face vs. holding former his imagination or not.

Recently, public space for burning resident dead bodies getting full occupied. looks like, so crowded, that, despite of min. 1 week waiting for the turn coming is natural, however, their staffs true voice is ASAP burning over because of or smelling dead body, or terrible ugly face.

But heavy petrol which using for burning dead bodies cost so hi up or difficulty for getting petrol itself, it bring delay, and quantity of the dead bodies so hi increasing, from like thus double punches, never can well control, the operation.

While set own mind of getting the rights of salary lost. But “it`s never can keep patient!!” from this true voice, own quitting staffs so many···I heard of!!”

“Then a, what you want to say, hey you, Darling?”

“Nothing!! It`s my old guy`s complaining monologue, merely, only!!”

“Don Qui Hote Boss!! you are not so famous actor!! No need monologue speaking!!”

“What!! I`m very famous “ultra pervert guy” in Japan!! Memorize it well, Mr. Nepali boy!!”

“OMG!!, Boss!!”
