「生きてるだけで、ご迷惑の好例？」

(English expression ver.)

“Your existence, breathing, it`s a good sample of  
disturbing one only, for all?”

(Japanese expression ver.)

「生きてるだけで、ご迷惑の好例？」

「カワイイ嫁さん貰って、かわいい子供たち作って、早々に我が家を立てて、子供たちは成績、お行儀も良く、いい学校に入り、有名な会社に就職し、ご本人は、イイ旦那さんで、イイパパさんで、謙虚で腰が低く、誰にも迷惑を掛ける事もないので、ご近所の評判もイイ。だからそれが何だってんだ。面白くもおかしくもないだろうが、ヨ。確かにそうなるのは、其れは其れで大変なんだろうが、やっぱり面白くもおかしくもない。無難（ぶなん）、過ぎる。

無難だと、却って本当の自分が表に出せなくなって、腹の中にガスが溜まり易くなり、♪  
外見如菩薩、内面如夜叉♪になる確率が高い。

そもそも俺は「ご立派」だとか「御大層」が大嫌いだ。上記の様な理由もあって、外見  
上、当り障りのない「無難」も大嫌いだ。裏がありそうで、大嫌いだ。

たとえ失敗しても、例え、後ろ指をさされることになっても、やるなら、ストレートに、  
しかも、比類なき空前絶後の事をしたい。

無難な安全パイばかりじゃ、退屈だ。

退屈の怖さは、うつ病の時、仕事は何も来ず、ドヒマ、ブッコイテいて、その怖さを身に  
染みて味わったから、もうこりごりだ。

ダカラという訳でもないのだろうが、「バカじゃないの」とか「そんなのできる訳ないでし  
よ」「あり得ない」と言われるようなことに挑みかかりたい。ヒマには、其れが一番の殺  
しネタに想える。そして其れを生業にしてでも飯がちゃんと食っていける事を証明した  
い」

「で、今の処、食っていけない証明だけは立派にしてるわよね…お前さん、日々を費やし  
て」

「ねえさん、そんな事で此のオッサンに太鼓判押して、どねええしなはっど？少しは陳腐  
でいいからまともに生きる様に、説教しておくんなはれ…給料の遅配、減額はジャバンの  
シャチョとして、あり得へんことやって」

「また、金（かね）の話かあ。なんか他にないの、えっ？」

「おまへん。お金様あつての、ワテ等でしょうに。あん、シャチョ？それのみが真実でし  
ょうに…人の世の…盛大なバカ夢見るのも大概にしておくんなはれ。空前絶後のアホは止  
めておくんなマシ。エラ、ワテ等、迷惑してまんねんでえ、ね、ねえさん…」

「ネパちゃん、うちの宿六、♪生きてるだけでご迷惑の、全宇宙的グッドサンプル♪だか  
ら、ある程度は、仕方ないのよ…」

*(English expression ver.)*

**“Your existence, breathing, it`s a good sample of disturbing one only, for all?”**

“Getting married with charming woman, getting surrounded by lovely children, in the early  
time getting turned to be own house owner, and their children are getting good score from  
their going for the school, and also keeping good manners. He his own himself is called  
“good husband”, and “good dad”, and from neighbors also called “good person” because he  
behaves modesty, and to neighbors no time of showing too much over pushing ways.

What`s that showing? It`s not special one, is it?

Sure that at on the way, it might be hard, difficult, but despite of the effort, it might be not

special one, it's not sharp, not great, looks like for me.

If the take non sharp, compromised behavior, position, stance taking, rather, as true voice getting pressured, easily it is likely to "Dr. Jekyll and Mr. Hyde", position.

First, I so strongly dislike "outlooks good", "outlooks serious, important" one. Also from above mentioned reason, I strongly dislike "outlooks compromised" also dislike. Because it looks like hidden secret lie. Looks like true face covered.

Even if not getting in success, even if getting bushed from arounds, if the time of trying, straightly, and big scale one which is no can compare with others, I wish to do it!!

Only compromised safe ones, it makes me bored only.

The fear from boring, at the time of my deep mental disease, no job given, too much free time holder, me, I already had experienced, so that it's too much enough!!

It might be not just, I'd like to insist that I wish to challenge against the level matter which is getting bushed by saying "are you crazy?", "it's unbelievable matter!!", "no way!!"

I suppose for against boring, above challenge is "killer app".

And I want to prove that human can live by it as their principal, original occupation!!

"So that you can prove no can live by your everyday commodity works, hey you, Darling!!"

"Madam Sir, what do you want to do by thus the prove? Little bit lecture to this guy that no need new one, stereo type ok, so that live normally!! And as a Japanese company boss, reject salary paid day delayed, or reducing salary amounts, also teach him!!"

"Again and again, money matter!! Don't you have other topics?"

"Non!! Other one no have. Money is the Champion, we are merely only challenger to him.

A? It's only the iron rule in our society, don't you think so? An, Boss!! Stop the dreaming crazy scale illusion, stop your crazy dancing!! Don't you think so, madam Sir?"

"Hey Nepali Sancho Panza boy, my Darling Hus. is astronomic scale, "your existence, breathing, it's a good sample of disturbing one only, for all", so that have to get it allowed as possible as we can, within limited level..."
