「なんかなあ～イマイチなあ～」

「給料は高いんだけど、なんか嫌がられている様な気がするし、その高い給料をもらうためになんか、へつらっている様な気もする。だからお金以外に「愛情あふれるアイデア」を探すというのは、みんなが絵空事というよりは、何となく実感が湧く気がする。

しかしそれで飯が食えるかというと、やっぱり絵空事に思えてくる。

AIの進出による年金無し（AIは年金払わないし、只残問題ゼロなので人間は首を切られやすいから、いずれ収入ゼロの世界到来。ハーバード大、出てもホワイトカラー全滅がその予兆）の老後不安や都会での住宅取得価格の急激なアップを見ると、増々絵空事に思えてくる。

確かに欧米流の「金、金、金（かね）」とか、我が国で顕著な、他人の目線や評価ばかりに気を遣うのにはいい加減ウンザリはしてることも事実だし、婚約者がそれに拍車をかけているのも事実。いっそ結婚なんかしなければいいとも思う…が、非常にむづかしい。

人並維持、世間体 対 自分の本心…

で、結局、彼女のせつつきに負けるのは、見え、見え…

50年超の住宅ローン返済が終わるまで、夫婦でいられる自信、全くないし。そもそも、何が何でもこの女、って訳でもなかったし、周りに対する「見せびらかし」しようとしてただけで、もっといいのが手に入れば他のトロフィーガールだってよかった位のレベルだっ

たし。

だから「何が何でもコイツにだけは苦勞をさせたくない」という気概もないまま、相手の不満たらタラに耐え切れず喧嘩別れしてその後、一人でローン残額、返済する羽目になる様な気もしているし…

かといって彼女には、その不安を言えないし…

「二人の愛の巣」なんて嘘八百で、本当は「女子会で勝ち組アピール」したいだけなのだけど…

だから本当言うと、そんな嫌な思いしてまで家なんか買いたくはない。でも、俺は俺で

「この厳しいご時世の中で、メガ都市に家を建てた男」、「今や不可能と思われた、幸せ家族を実現した、稀大、稀なる大人物」を、小学校から大学までの各クラス会で演出したいスケベ根性、捨てきれない訳だし。

妙な所で奥さんと利害関係、一致しちゃって、そうだと知りつつ敢えて「呉越同舟」しちゃってる訳よ…「利害打算結婚夫婦」としては…それもあってか、止められないで、どんどん進んでいく…どんどん深みにはまっていく」

「お前さん、なんか自分の経験談、語っているみたいね、迫力あるわ〜…」

「経験談じゃなくて、単なる想像（そうぞう）だよ。男の本音が姿を変えて、生み出した想像（そうぞう）のワン・オブ・ゼムバージョンな、訳よ」

「シャチョ、なんか、騒々（そうぞう）しいから、すこしだまっておくれやす。ワテのエロい白昼夢（はくちゅうむ）、じゃませんといておくれやす」

「拍手（はくちゅ＝はくしゅ）〜パチパチパチ」

「ん???拍手無視（はくちゅ〜むし）。ワテの日本語も可成り上達しておるわい…N1レベル、カモ…」

“Why some, little bit not fit~, not well~, why?”

“Getting salary hi, however, I got disliked from company, or from arounds, I suppose. And for getting hi salary, ass-kissing have done it, I also suppose. Then a, from it, more can feel than others, it`s more real than others, “full occupied by love, the ideas, I suppose.

But, from it, can live through, it`s doubtful… I doubt it!!

Anxiety for after retirement life (for example, will cause AI proceeding to working place. AI no pay tax, no problem extra hours matter, it`ll invite tendency of no need human movement in company. The typical sample is, graduated from Harvard univ, however, no can get job, like that), in mega city getting house price is sharply up and up, recently, observing at them, by “full occupied by love, the ideas”, never can live through this society in

actual, I got turned to suppose so, more and more.

Sure that only praying “money, money, money” I dislike, my female partner, fiancée additionally boasting, it is obvious. Rejecting to marry might be better, I think...but It`s very difficult, I suppose. Because standard average to keep, outlooks well from arounds vs. inside own mind, true voice...contradiction, decoupling, unmatched.

But it`s very obvious to get defeated by female partner`s attacks.

I have “0” own confidence to keep this marriage until repaying to 50 years over, the house loaning clear. First, it was not this woman is my final, biter, simply she was only my decoration for appealing to arounds, so that if more fine “trophy woman” I could get, I would select other trophy woman, might be.

From it, I imagine that while without the mind of taking anyway to against, will guard her, Will never can keep patient against her continuous complaining, so that will get divorced by quarreling, after it, only me, have to repay the house loaning, I easily can imagine...

But I never can leak to her my anxiety from my own imagining.

“for our two, the house is the nest of our love” is dummy, indeed, only appealing “I got joining in winner`s team” at each classmate party from elementary school to univ, class.

It`s easily can see through.

For thus level woman, spending waste power and time, as not match to my big loss, I want to reject it...

From it, in my true voice, no hope to get a new house in a mega city, while thus above uncomfortable mind carrying. But on my side, also, I hope to appeal at each classmate party from elementary school to univ. class “under this hard condition, in mega city, house getting, the man”, “it looked like impossible, in our current society , could reach to happy family realizing, the great man”

At the strange point, as it happen, matching our stake holder`s relation with my wife, so that while noticing it, getting in the same boat with different aiming, as we are “p/l first counting for to each other, married couple”. From it also, might be, despite of want to stop it, however, bad situation going on and on next step, going into deep mud pool.”

“Hey you, Darling, it sounded like your experienced story talking, it has so, so, dynamism!!”

“Above is not my experienced one but my imagined one. male`s true voice change the costume, from other angle, while wearing new costume, coming out, the one, one of them, the new costumes!!”

“Boss, around, little bit noisy, so that little bit stop your speaking because your loud speaking voice “cracking” (=disturbing) my erotic daytime dream!! I`ll pass your disturbing!!”

“Ok, boy, clap, clap, clap!!”

“N? what????? Your “clap, clap, clap”, I`ll pass it through, boss!!”
